

BELC Lea* - PCM Top 5 Questions Release

"To help students easily pass their exams, BELC has curated a highly important set of Top 5 PCM questions targeting exactly **30 passing marks**. We have filtered out the most recurring questions from each lea* set, for you to prepare. Mastering these is highly recommended for guaranteed success.

The material is scheduled to be released on **25 June 2026**, approximately 20 days before the 15 July examination.

□ Community Goal: 500 Students (If the BELC Portal reaches **500 registered students** before **25 June 2026**, this questions will be unlocked and made available earlier for all students.)

We encourage everyone to share the BELC Portal with fellow compartment students so that everyone can benefit from early access.

□ Disclaimer: Users engaging in bot activity, spamming, or any other suspicious behavior will be permanently banned from the portal."
